

Owner Email Communication Program

November 4, 2011

Dear 1350 Owner,

In order to serve 1350 Owners better and to improve communications, the Board is pleased to provide you with the option of receiving certain notices and information via e-mail. This would include such things as the Board's Board, Newsletters, Special Notices and Announcements. We hope to be able to add a component for communicating by email with renters and others in the future.

Please note that official notices and documents from the Association will continue to be sent by mail through the U.S. postal service. Our new email service is provided solely as a courtesy and is meant to enhance, not replace, other regular means of communication. Should you enroll, you will have the option of opting out of this email program at any time.
