Building Exterior Repair Project Update

Dear Residents,

In preparation for the two hurricanes last month, the contractors took full precautionary measures in demobilizing the job site scaffolding to ensure the safety of residents and the crew. We would like to share the following preliminary mile stone dates with you, in light of these recent events:

Work being performed at L1

Approximate anticipated completion date:
October 12, 2018

Bird netting installation on stacks 9, 7, 5 and 3

Approximate anticipated completion date:
October 31, 2018

Work being performed at the garage

Approximate anticipated completion date:
January 1, 2019

Canopy at the front of the building

To remain in place until approximately:
February 12, 2019

Overall work is estimated to be completed by:

May 31, 2019.

We apologize for any inconvenience and thank you for your cooperation during this very important project.
