## 1350 Ala Moana Trivia

The new color of our building is inspired by the Century Plaza Hotel in Los Angeles (see photos above). The Century Plaza was built in 1964, the same era as 1350 Ala Moana. Both were designed by renowned architect Minoru Yamasaki.

## Christmas Tree Encapsulation Bags & Holiday Decorations

Christmas tree encapsulation bags are available at the front desk. Please use an encapsulation bag when transporting your tree out of the building.

## Mauka Stairwell Door Installation

New, fire-rated doors are being installed in Stairway 2 (the mountain-side stairwell). You may hear loud jackhammering during the day.

We apologize for the noise.
